

We need your support!

How much does the PTA need to raise? **\$66,000**— which averages to be \$120 per student.

Step #1: Underwood PTA Membership

It's true! Joining the Underwood PTA costs only \$16 per family per year and is as easy as filling out this form on the back.

PTA membership lasts one year and must be renewed annually.

Our goal for PTA membership participation from parents, teachers and administrators is 500.

Step #2: Underwood Annual Fund

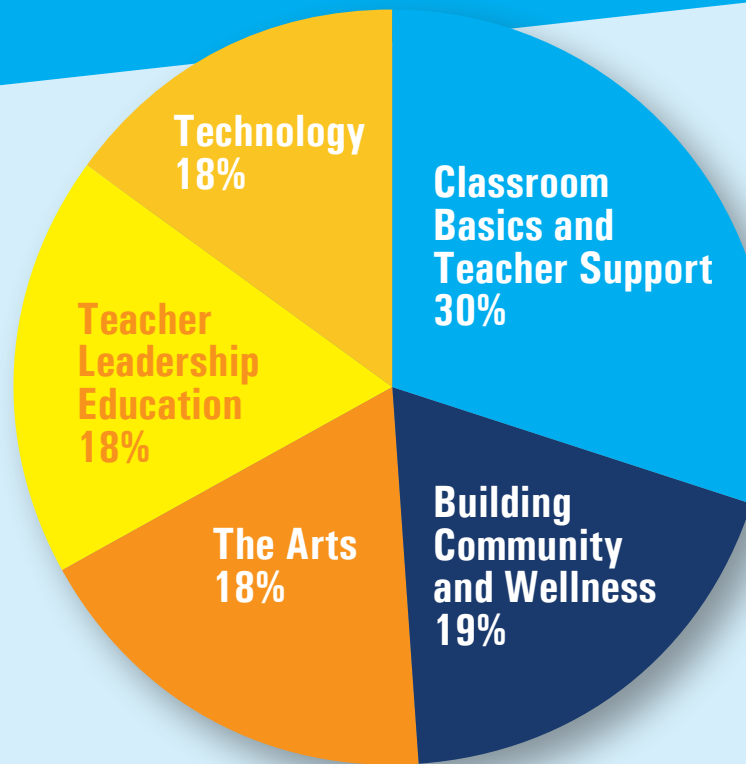

Fundraising is going to look a bit different this year. We are replacing several sale fundraisers with the Annual Fund in hopes of streamlining fundraising. As an added bonus, 100% of your contribution to the annual fund will stay at Underwood to support programs that directly benefit our teachers and students!

A small portion of your contribution (\$4.00) pays for state and national dues. The rest of your donation stays in our school to support programs that directly benefit our teachers and students!

Return your cash or check (made out to Underwood PTA) with the form on the back. Please return it to the Membership box in the front office.

In addition, this year, you can pay through Paypal on the PTA web site: www.underwoodpta.org. all dues/donations are tax deductible! **The deadline to join and contribute to the annual fund is October 1.**
